The Director indicated he would rather do this during the next session of Congress, provided the climate is right.

Mr. Amory:

a. Reported that he had advised: (1) [ ] to stay in touch [ ] and be ready to return on twelve hours' notice; (2) [ ] to maintain our communications facilities to [ ] on a standby basis. The Director approved.

b. Recommended that there be prepared a general review on CIA participation at the [ ] Conferences. The Director approved.

Mr. Kirkpatrick:

a. Briefly reported on the activities of [ ] and stated as far as it could be determined we have had no association with this organization; however, Mr. [ ] is making a final check. After some discussion, wherein it was noted that the Department of Justice and the FBI are familiar with the activities of the above-mentioned company the Director asked the Inspector General, in order to be doubly sure, to contact Mr. Lee V. Boardman of the Bureau and advise him of the information we have on subject organization.

b. Stated that our Quarterly Report to the Civil Service Commission, under the provisions of Executive Order #10450, shows the release of six employees for perversion.
